Dear Representative Hultgren:

This is in response to your July 11, 2016, correspondence on behalf of your constituent, (b) (6) (b) (6) regarding the status of his pre-employment polygraph examination with U.S. Customs and Border Protection (CBP).

Federal law requires polygraph screening for all applicants to positions as law enforcement officers at CBP. The U.S. Office of Personnel Management provides annual authorization to CBP's Office of Professional Responsibility (OPR) to conduct applicant screening polygraph examinations for CBP law enforcement officer positions. The examination administered to CBP applicants is approved by the National Center for Credibility Assessment. CBP OPR administers polygraph examinations in full compliance with all applicable federal polygraph policies and procedures.

On March 31, 2016, (b) (6) did not successfully complete the polygraph test. An independent quality control review of the test was performed. This review supported the results rendered by the field examiner and confirmed the polygraph test was administered in accordance with all policies and procedures. Under these circumstances, no further testing is authorized and (b) (6) failed to meet the requirements indicated in the job announcement.

If you should need further assistance, please contact my office at (b) (6), (b) (7)(C).

Sincerely,

Michael Yeager  
Assistant Commissioner  
Office of Congressional Affairs

Dear Congressional: (Please expedite)

RE: (b) (6) Applicant (b) (6)

Please find the attached privacy release with constituents information, letters of accommodation, and letter for his Structured Interview. (b) (6) has applied for a position with CBP and has been selected. When he went to take his polygraph test on February 11, 2016, he failed to pass the test due to a stressful week during that time.

We are requesting an opportunity to have (b) (6) retake the test . He comes fully qualified and has already passed other poly graph tests along with a security clearance. Please contact the appropriate CBP office for a retake with his Structured Interview.

I would appreciate prompt assistance with this matter, as I have already make this request over a month ago. Thank you in advance for your assistance.

Best regards,

Dear (b) (6)

You have been scheduled for a Structured Interview (SI). The SI is the structured interview preemployment requirement for your tentative selection for the position of Customs & Border Protection Officer. Your SI is scheduled at the following location and time:

Finger prints are required to facilitate the initiation of a background investigation, a pre-employment requirement for all applicants. If your finger prints are not collected during your interview, you will receive finger print cards at a later date from the Minneapolis Hiring Center to complete and return.

In order to gain access to any federal facilities your interview may be scheduled at you must bring the proper identification. If your state is listed on the following site, <http://www.dhs.gov/secure-drivers-licenses>, you will need to bring an alternate form of government-issued photo ID - such as a passport or Federal employee, military, or veteran identification card to obtain access to the facility. The list of REAL ID noncompliant states is subject to change.

SI dates can only be changed due to extenuating circumstances. If you cannot appear as scheduled above, you must contact our office immediately to determine if alternate arrangements are possible.
